

Remsima[®]
Infliximab

SUBCUTANEOUS

Injection Diary

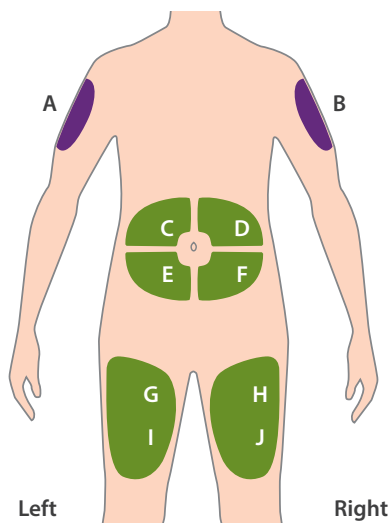

This booklet is intended for patients who have been prescribed Remsima[®] subcutaneous injection to help keep track of treatment with Remsima.[®]

HEALTHCARE
CELLTRION

WHY HAVE I BEEN GIVEN THIS BOOKLET?

This booklet was developed for people starting Remsima® treatment, just like you. It will help you keep track of your treatment with Remsima®. Use this booklet to record your injection history, including the injection site and date.

Remsima® (infliximab) INJECTION TRACKER

Refer to the image and record the letter corresponding to your injection site for each injection date.

Injection site A and B are only for injections given by caregiver.

When choosing an injection site¹

- ✓ Rotate the injection site each time you give an injection.
- ✓ Each new injection site should be at least 3cm away from the previous site.
- ✓ Do not inject into the skin that is within 5cm of your belly button (navel).
- ✓ Do not inject into skin that is tender, damaged, bruised or scarred.
